Hickory's Reward Treat

Well done to Class 5W who were selected to attend Hickory's this week for a reward treat. They have had excellent attendance and punctuality as a class, have been working hard in lessons and following the Code of Conduct in their behaviour. Many thanks to Hickory's for continuing to support our initiatives. The children had a fantastic time; favourite activities were enjoying the cinema experience and writing what they were thankful for on the 'Thanksgiving Tree'. They also enjoyed the yummy treats too!

Children in Need

Thanks to the Year 6 pupils who were selling Children in Need merchandise and the generous donations of our families, we raised £200 on the day & over £700 in merchandise, totally an amazing **£900**.

Well done also to Tia (1W) who participated in a dance show at ASDA with her street dance group raising money for Children in Need. She performed in two shows and even got to meet Pudsey Bear.

Interventions

Please note that all pre school interventions will finish on **Thursday 29th November**. We would like to thank parents for their commitment to bringing the children to these sessions before school to help support their learning.

Friend of Kew Woods Christmas Fair

Our annual Christmas Fair, organised by FOKW, will be held on Wednesday 5th December, from 3.30pm. We would be grateful for donations of clean, cuddly toys. We would also welcome any parents who can help at the fair, setting up from 1.30pm, helping on a stall or tidying up following the event. Please speak to Jayne Wright in the School Office if you can help in any way. We are also looking for donations of raffle prizes - vouchers are always a popular prize, please ask your friends, family & employers.

Thank you for your support.

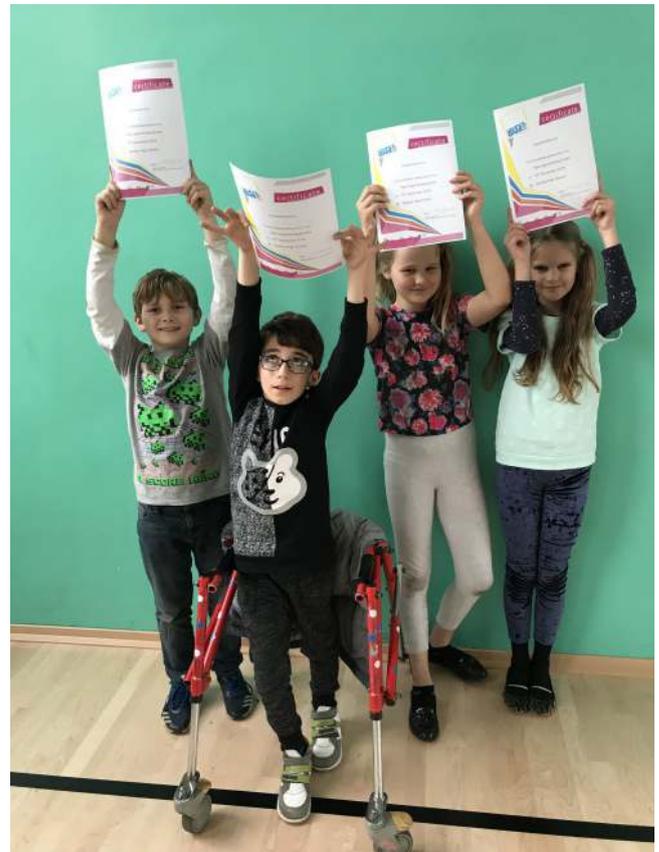

Mufti -Days for the children are:

Friday 30th November—donations of tombola prizes

Wednesday 5th December—donations of chocolates or cakes

New Age Kurling

Well done to our Year 6 pupils who participated in a kurling competition at Stanley High School last week. Kurling is an adapted version of the game that is usually played on ice, so that it can be played on a smooth surface. The game is similar to bowls, but uses a static target rather than a moving ball. We were placed 4th overall.

Basketball

Well done to our Basketball team who competed in a Christ the King competition this week. They won 2 out of 3 matches, only narrowly losing the third to the eventual winners, meaning we finished as runners up.

Online Safety

This week we offered two workshops for parents focusing on online safety. Mr McWilliam delivered the sessions and shared important information for parents so that we can work in partnership to keep our children safe. The presentations looked at the social media sites and games pupils are using and suggested ways of ensuring they are kept safe. He also focused on the impact of social media on young people.

If you were unable to attend the sessions the presentation will be available on the website in the online safety section shortly.

Children's University

All after school clubs finish on **Friday 30th November**. Staff running school clubs will submit a register of attendance and the credits will be allocated to your child's Children's University account.

If your child has any credits in their **passport** that have not been collected, please send their passport into their class teacher or the School Office (box in the seating area) by **Friday 7th December**. These credits will also be sent to Sefton Children's University. Please note that the maximum number of credits children can have for **one activity** is 10 per term, regardless of how many sessions they have attended. Children who attended the Summer Reading Challenge have all been allocated 10 credits automatically.

This Week's Class Dojo Winners

Tom	RK
Emmy	RW
Harry	1K
Emma	1W
Daisy	2K
Cassidy	2W
Bella	3K
Owen	3W
Sophie	4K
Caiden	4W
Sophie	5K
Amy	5W
Mia D	6K
Olivia	6W

WW1 Commemoration

Two members of our School Council from Year 6 attended a remembrance service in St. Cuthbert's Church to commemorate 100 years since World War I. Jessica and Luke loved seeing all of the artwork produced by other schools. We were also able to showcase our fabulous artwork too.

Blogging, Pobble and the New Website

This week saw the launch of our new look website. We hope it is easier to find important information on it. Please use the 'Class Blogs' section to keep abreast of what is happening in classes.

We have also finished the first week of our Pobble journey, with amazing writing being showcased, shared and commented on. Check out our writing via the school website 'Children—Pobble' link. Here are our week 1 stats:

Little Princess Trust

Well done to Maya (6K) who recently participated in a sponsored haircut. She has raised **£267** so far towards the Little Princess Trust Charity. The charity provides real hair wigs free of charge to children and young people (up to the age of twenty four) that have sadly lost their own hair due to cancer treatment and other illnesses. Well done, Maya. We are all proud of you at school.
