Robinwood

Last week, Year 6 had an exciting visit to a brand new Robinwood centre in Wrexham. During the residential, they participated in lots of different activities, with their favourites being the 'piranha' pool, caving and climbing. As this was a brand new centre, Year 6 were the first to try the brand new high ropes which involved the children completing an obstacle course while being suspended in the air! They had a fantastic time in Robinwood over the three days and have so many brilliant memories that they will remember for a very long time!

Welly Walking!

Year 3 took part in a 'welly walk' this week. As part of their English work on poetry and story writing, they have been reading the book "Where My Wellies Take Me" by Clare and Michael Morpurgo. In the story Pippa sets off for an adventure wearing her wellies and that's just what Year 3 did too. They planned their route using Digimaps to locate features in our local area. They took photographs so that they can complete art work using observational drawings.

We saw lots of things on our Wellie Walk round Kew Woods.

Sport @ Kew

FOOTBALL TEAMS

Well done to one of our football teams who played Norwood on Tuesday after school. They won 5-3 in the Greenall Cup and now progress to the next round. A player of the match could not be selected as every player made an excellent contribution.

Our Year 3 football team entered the EFC tournament at Stanley High School on Tuesday. They were given a tough group and didn't manage to win any of their three matches. However, they had great fun and enjoyed the experience. Player of the tournament was **Amelia (3W)** for her commitment and determination.

NETBALL TEAMS Our A and B netball teams continued their league matches this week. The **A team** played St Phillip's, Churchtown and St John's, Crossens. Every member of the A team made a fantastic contribution to the excellent team performances and we were delighted not only to win all three matches but to see the team enjoying playing and encouraging each other. *Kew Woods v Churchtown—Kew won 9-1—player of the match: [Katie Holmes](#), who was outstanding in moving into space to collect the ball, intercepting and showing a real determined captain's performance. Katie is a talented player but also encourages other members of the team with her positive attitude. Kew Woods v St Phillips—Kew won 7-1—player of the match: [Erin Stevenson](#), whose accurate shooting and movement around the circle was excellent. Erin plays in one of the most pressured positions and showed confidence and determination. Kew Woods v St John's, Crossens—Kew won 6-5—player of the match: [Holly Garnett-Larkin](#), with an outstanding defensive performance intercepting attacks from the other team and tight marking in the circle. Her defensive skills put our team on the front foot and set us up attacking again.* The **B team** also played league matches in their league against Birkdale A and Farnborough B team. The team lost both of their matches **0-3**. Player of the match v Birkdale A : [Kiera Arnold](#), who was playing her first match this year as she recently joined the netball club. She was excellent receiving passes and making accurate passes forward. Player of the match v Farnborough B: [Jessica Barclay](#), worked tirelessly for the team both attacking and defending.

YEAR 3 /4 RUGBY TEAM Well done to our Tag Rugby team who competed at Southport Rugby Club yesterday. The team won all of their six matches and so won the tournament. All of the children worked effectively as a team. Player of the tournament: [Jessica Edmond](#).

Kew Woods School App

You should now have received a letter and a text message regarding our brand new school app. By downloading the school app you will be able to receive messages from school, view the school calendar and find key dates and information about events, access consent forms and much more information in one place. The app can be downloaded free of charge off any smartphone. We would like to encourage all parents where possible to download the app. This will improve communication between school and home and be cost effective for the school.

If you have any issues downloading the app or using it once the information and text message has been sent to you, please contact the school office. **TO ENSURE YOU RECEIVE THE INVITATION TO ACCESS THE APP, WE NEED TO ENSURE WE HOLD THE CORRECT MOBILE NUMBER FOR YOU.** Please keep the office up to date with changes.

This Week's Class Dojo Winners

Adam	RK
Harry	RW
Blake	1K
Daisy & Mutsa	1W
Myles	2K
Leo & Joseph	2W
Libby	3K
Daisy	3W
Laila	4K
Emma	4W
Krystian	5K
Julia	5W
Esme	6K
Evarose	6W

Bike it Breakfast

Please ensure all requests to attend Bike it Breakfast on **Thursday 4th April** (8.15-8.45) have been returned to school. There is no cost for the breakfast. Children should walk, cycle or scoot to school. Returning the reply slips will ensure we have adequate food for those wishing to attend.

On the 4th April we would like to make Ovington Drive free of traffic and make the area safer and less polluted for our pupils.

Many thanks for your co-operation.

Lost Property

Please can parents check that all items worn to school (shoes, jumpers, cardigans, PE kits, coats etc) are all named! We currently have a box full of lost property than is not named and we cannot return it to its owner.

Reception Outdoor Area

Please can we ask parents when dropping off or collecting their child from school to ensure they do not use any of the equipment in the Reception outdoor area. The area is often set up for the activities planned for the day. Many thanks for your support with this.

Parking

Please can parents ensure they do not use the Staff Car Park when dropping off or collecting from school. Cars should not be parked over driveways, on double yellow lines or on zig-zags. In addition, please can parents try to park away from school to make our areas outside of school safer for our pupils.
