

## National School Sport Week at Home:

### Kew Woods Primary School backs campaign to ensure no child misses out on sports day.

Kew Woods is preparing to join the Youth Sport Trust and Sky Sports to help young people and families up and down the country engage in a week of virtual sporting challenges.

With young people set to miss out on their main school sport day this summer, the Youth Sport Trust is taking its annual National School Sport Week campaign beyond the school gates to parents and families - reinvented as National School Sport Week at Home.

Taking place from 20 to 26 June, the UK-wide campaign will give families, communities, schools and sports clubs the chance to capture the enjoyment, competition and camaraderie they have been missing out on during weeks of social distancing.

Pupils and staff at Kew Woods will be taking part by completing a range of challenges set across the week. You will receive a link each day Monday to Friday related to the task and will be able to input your child's score/result.

We can then celebrate the effort and success of our pupils as the week continues.

Other challenges will be available and can be completed alongside the task of the day if you so choose.

If you would like to keep a record of the challenges and scores as the week goes on there is a sheet (as below) for you to do so, on the parents guide (link below) along with other ideas to help.

#### My Personal challenge scorecard

Use this scorecard to record your personal bests throughout the week. Maybe you can print one out for everyone taking part!

We will be setting each new challenge link via the parents app next week and there will be reminders on your child's class twitter page.

Remember If you don't have twitter they are also available at the bottom of your child's class blog page.

If you need any other information please get in touch through the KS1 or KS2 email as usual.

Thank you for your anticipated support.
