Welcome Back

We were delighted to welcome our pupils back to school this week. They all looked so smart in their new uniforms and it was wonderful to see their happy faces.

During this week, the teaching teams have worked on establishing positive relationships with their class and reinforcing the expectations and routines. The classes have all adapted well and settled back into school positively.

We are looking forward to welcoming our early years pupils next week and thank their parents for attending the welcome meetings this week. We hope they found them useful and look forward to developing a positive partnership working together to achieve the best outcomes for our pupils.

We recognise that this year has been a challenging one for all of us. There is information to support any anxiety your child may have in the Well Being section of the website. Please contact the School Office if any additional support is required for your child and we will be happy to help.

Thank you to our parents for following the routines for entry and exit to school. These have been put in place to ensure all of our families stay safe whilst on school premises. The procedures will be reviewed regularly and in line with any new government guidelines.

Communication

We appreciate that parents have followed our request this week and only accessed the School Office in emergencies and with one parent accessing this area at a time. If you have any queries or information to share please can parents continue to either email the office on admin.kewwoods@schools.sefton.gov.uk or to call on 01704 533478.

Thank you again for your co-operation with this.

PE

We would like the children to come to school wearing their PE kit on their class PE days. As well as their PE kit, they should also wear their school jumper and can wear navy blue tracksuit bottoms over their shorts, as well as their usual kit, to keep them warm at playtimes if they wish. The children will start their PE lessons on the week commencing **Monday 7th September**. **The only exception to this is Reception classes who will start their PE lessons on Wednesday 16th September.**
